

# Alabama Meat Goats Strategic Plan

## **I. Identify measurable goals for meat goats that will contribute to Alabama's economy and employment**

1. Graded sale for sheep and or goats.
2. United States Department of Agriculture (USDA) processing facilities for retail sales.
3. Protection of on-farm sales.

## **II. Identify the communications needed to achieve your goals.**

- Better communication and collaboration between ALL land grants on small ruminants.
